Table Column: Content Descriptions

LEA Type

"D" denotes the LEA as a district. "IR" denotes the LEA as an independently reporting charter (IRC) school and they report CALPADS data independently of their authorizing LEA.

2018–19 Completed Enrollment

Count of open student enrollment records on Information Day, including those that have a grade change update but not a complete student information update. As a result, some completed enrollment counts in this report may differ from the total enrollment count produced in Snapshot Report 1.1: Enrollment-Primary Status by Subgroup.

Enrollment Percent Completed

The percentage of current year enrollments that have been completed compared to prior year. Calculated by dividing current year Completed Enrollment by last year Certified Enrollment. The Completed Enrollment Percent will be displayed as zero percent (0%) if the LEA or IRC did not have prior year certified enrollment.

Certification Status

Certified – There is only Certified. Certified Level 1 and 2 have been removed from the new CALPADS system.

Ready – LEAs with a status of "Ready" have not yet certified, but have zero (0) Fatal Errors and an Anomaly Percent less than 2%, both of which are required for certification.

Not Certified – LEAs with a status of "Not Certified" may have to resolve Fatal Errors and or bring down their Anomaly Percent before they are ready to certified.

Not Ready – A status of "Not Ready" is assigned to LEAs who have zero enrollment for the current year.

CERTIFICATION SATUS

STATUS	COUNT
Certified	36
Ready	1
Not Certified	0
Not Ready	0
